

## Department 45 – Flowers

Superintendent: Variety Garden Club

Phone: 320-632-4875

Competition open to amateur growers only. An amateur grower shall be a person who does not grow flowers for sale to the public. Please check number of blooms and stalks or spray or spike in Premium List needed for exhibit. Flowers must be grown by exhibitor.

**Bloom:** An individual flower, solitary flower terminating in a stem such as a rose or peony.

**Stalk:** A stiff stem, branched or unbranched, with one or more blooms and buds; i.e. gladiolus or hybrid lily.

**Spray:** A small branch bearing dependent branchlets; i.e. petunia.

**Spike:** An unbranched single stemmed, elongated flower cluster in which the flowers are practically stemless; i.e. snapdragon, delphinium.

If possible enter cut flowers on Wednesday morning so they are fresher for judging.
